Material Icons

2,100+ ready-to-use React Material Icons from the official website.

💬 Feedback   📋 Bundle size   ⊙ Material Design   ◆ Figma   Xd Adobe   ◆ Sketch

@mui/icons-material includes the 2,100+ official Material Icons converted to `SvgIcon` components. It depends on `@mui/material`, which requires Emotion packages. Use one of the following commands to install it:

npm	yarn	pnpm

See the Installation page for additional docs about how to make sure everything is set up correctly.

Browse through the icons below to find the one you need. The search field supports synonyms—for example, try searching for "hamburger" or "logout."
